

1. Select "Tabloid" 11"x17" paper and print page 2

2. Line a straight edge to the top and bottom dotted score lines nearest to the solid white lines as well as the last vertical dotted line and use pen cap or similar blunt object to run the length of the ruler to create a score.

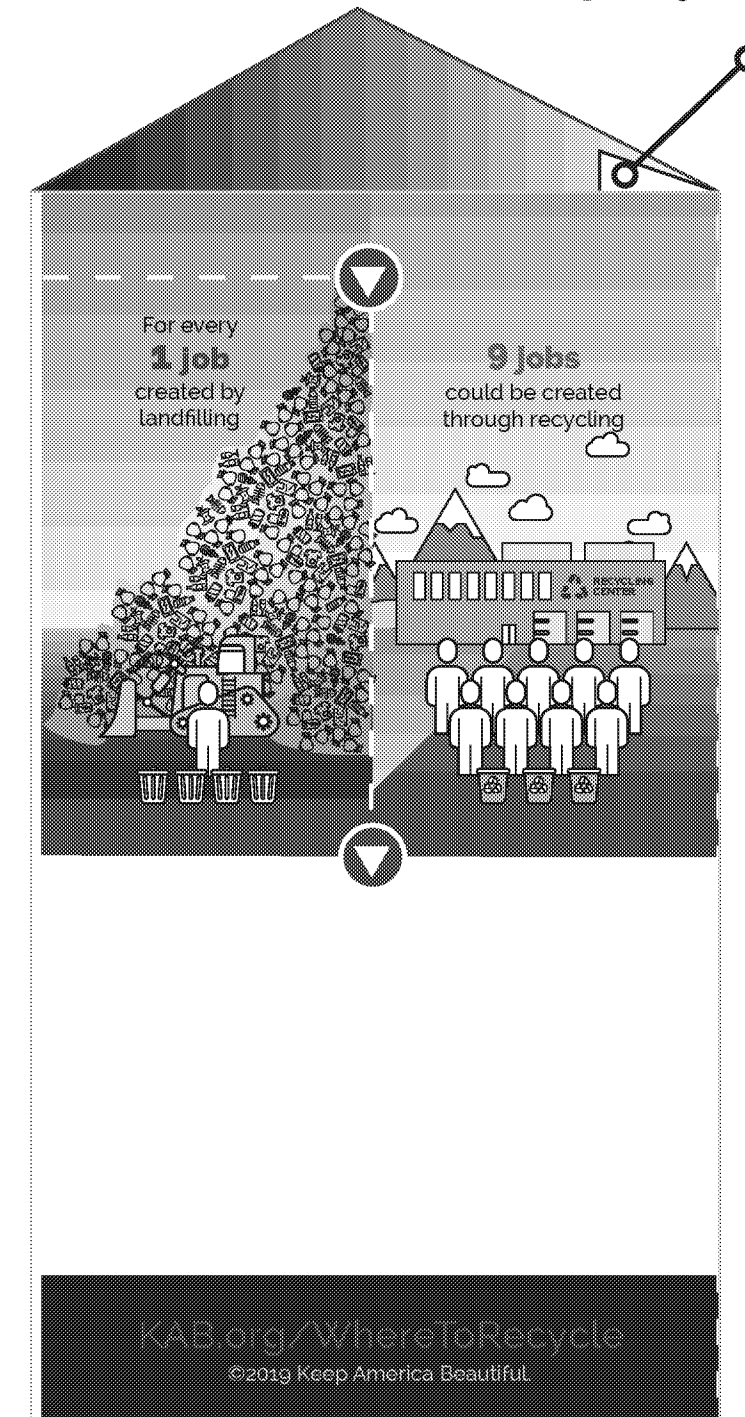

3. Line a straight edge to every outside vertical and horizontal solid cut line and use x-acto blade or similar razor cutting tool to cut the exterior shape. BE SURE TO NOT TO CUT PAST THE EDGE OF THE OF THE FULL SHEET OR YOU WILL LOSE A CROP MARK FOR YOUR NEXT CUT. Fold as shown.

4. Trim shortest flap panel to the dotted angles. Fold as shown. Tape along smaller flap's total length to the back of the front panel.

FOLD AS SHOWN

Tape along the inside of the flap

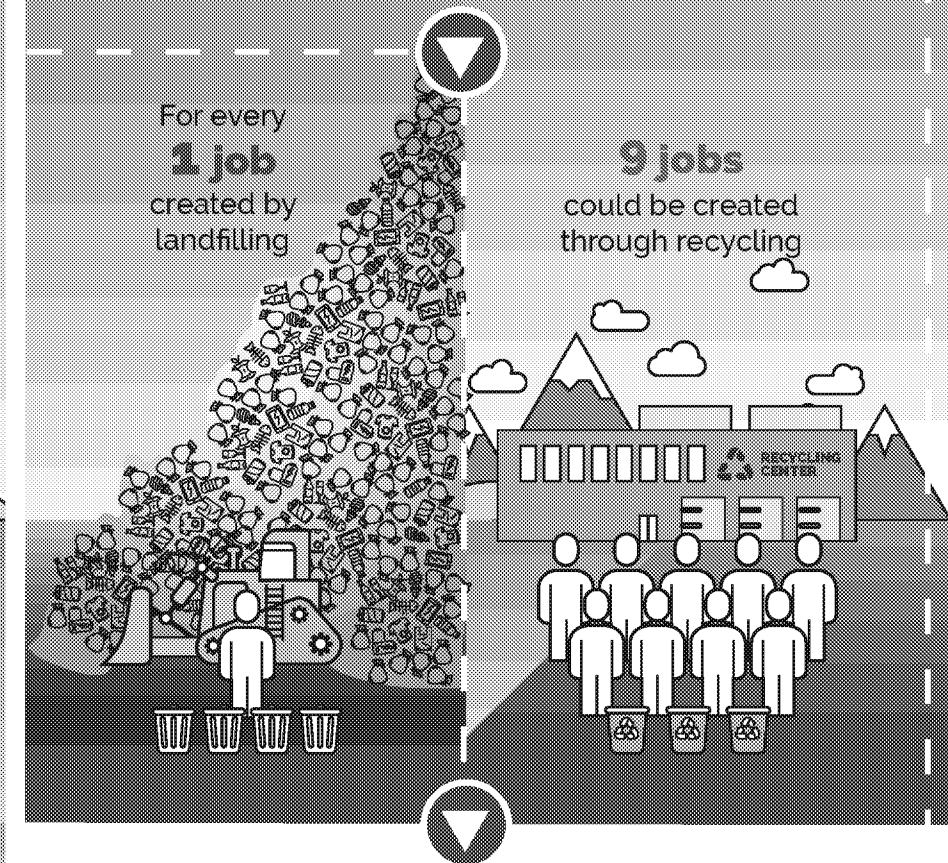

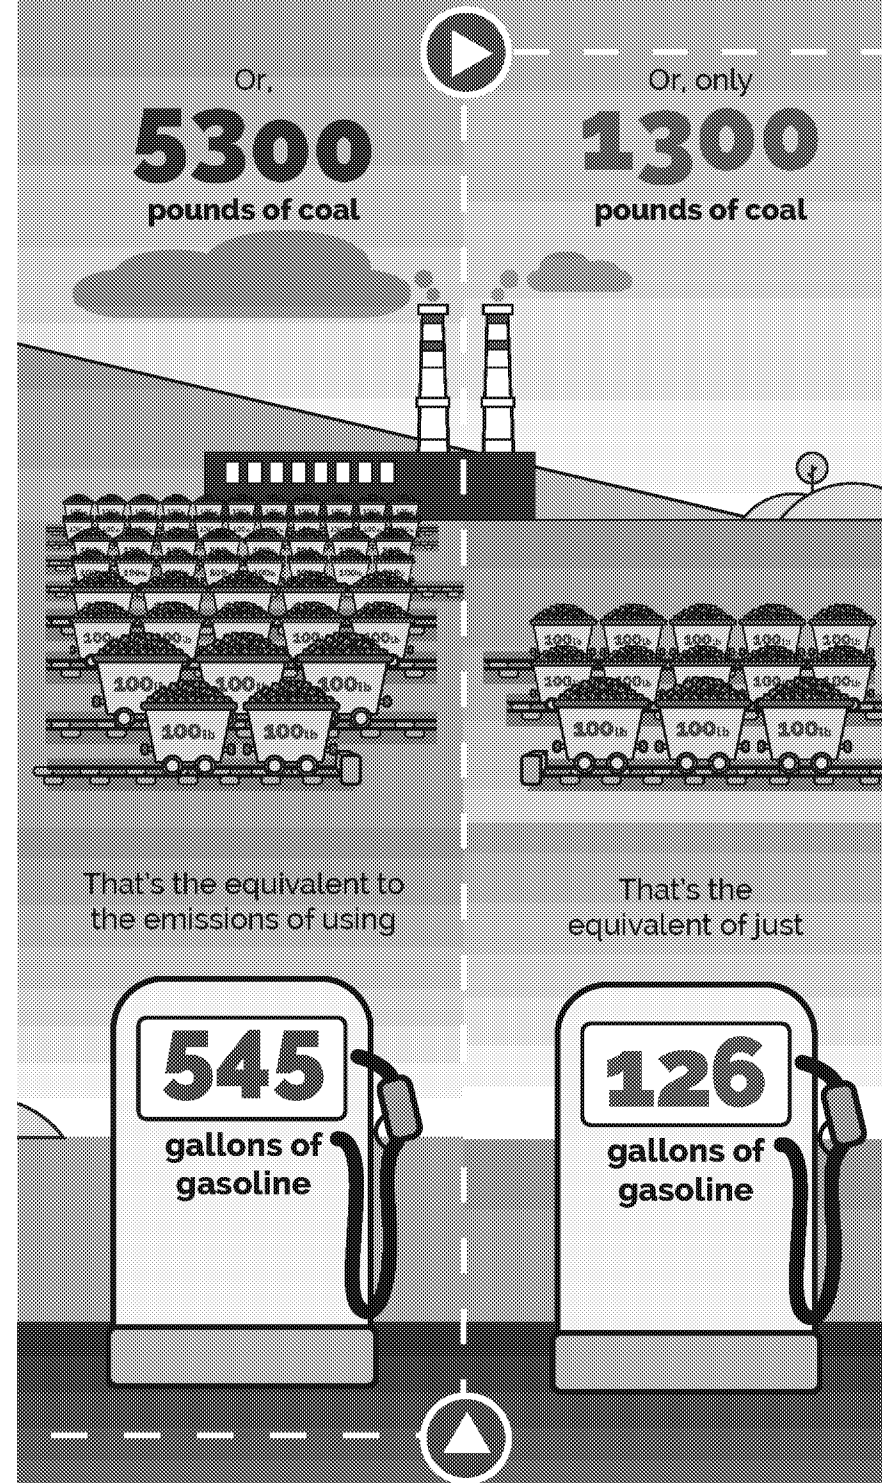

## A Tale of Two Landfills

**Non-Recycler**  
generates 4.80 pounds  
of trash per day  
recycles 0% of their discards

**Avid Recycler**  
generates just  
1.12 pounds per day  
recycles 75% of their discards

That's  
**64**  
full-sized pickup trucks  
of **TRASH** to the landfill  
in their **lifetime**

They only send  
**16**  
pickups of **TRASH**  
in their **lifetime**
